Location, location, location! Situated between Apex & Holly Springs, right off 540, 55 & close to US 1, Raleigh, Durham and RTP! Access the amenities of Apex & Holly Springs, without all the HS rush hour traffic. New hardwood floors installed late 2020. Open concept, SS appliances, granite counters, & butler pantry. BR/Flex rm on first floor could be a home office! Fenced backyard, oversized screen porch. Well-maintained & better than new construction - bigger rooms than most new homes in the area & you don't have to wait for it to be built.
