One of Raleigh's best kept secrets, Oxford Hills sits among elegant, historic, Raleigh neighborhoods. Enjoy easy luxury in the OxfordPark, Bloomsbury, and Five Points area. Built in 1986, this cottage-style home offers newer era construction in a quaint, yet modern package. Recent bath renovations are worthy of Elle Décor, while earlier kitchen and guest bath updates stand the test of time. Gorgeous hardwoods grace the main living areas with open yet well-defined living/entertaining spaces. A truly original floor plan, this home boasts two enclosed flex/office spaces in addition to three bedrooms, giving the home its unique multi-functional appeal. The cozy, charming patio has incredible privacy with mature landscaping, while the covered kitchen porch is perfect for al fresco dining. Oxford Hills is a surprise find - don't miss your opportunity!
